Medical Reserve Corps

FY19 State Highlights: Montana

1 MRC Unit

Approx.
20
Volunteers

The majority of volunteers are medical/public health professionals

Montana

The Gallatin MRC unit, located in Bozeman, MT, was established in 2006 and is housed within the Gallatin City-County Health Department.

This past year, the Gallatin MRC supported health department staff in administering vaccinations at a seasonal flu clinic.

Further information about the MRC Program is available at mrc.hhs.gov.
