735 MRC activities reported

The number of activities notes the number of unique entries by MRC unit leaders for the current month. MRC unit leaders also select impact areas for each activity, which may include multiple categories. In addition, MRC leaders may not have reported ongoing activities. Thus, the numbers in the bar chart may not equal the total number of actual activities.

MRC: Building Strong, Healthy, and Prepared Communities

- ★ MRC units across the country responded to the COVID-19 pandemic in a variety of ways:
