Volunteers Building Strong, Healthy, and Prepared Communities

## Medical Reserve Corps Monthly Report: May 2020

### Monthly at a Glance

830 MRC units

175,945 volunteers

MRC units devoted more than **25,000** hours to activities related to the COVID-19 pandemic.

### 750 MRC activities reported

*The number of activities notes the number of unique entries by MRC unit leaders for the current month. MRC unit leaders also select impact areas for each activity, which may include multiple categories. In addition, MRC leaders may not have reported ongoing activities. Thus, the numbers in the bar chart may not equal the total number of actual activities.*
